How do you Prioritize when Bombarded with Information

We are part of an Ecosystem

First Steps:

- Take care of today,
- This minute,
- These next weeks and months
- And take care of yourself

You are: by Definition

- Your child's best advocate
 - Primary Care
 - School
 - Community

HOPE Lives Here

IMPROVEMENTS IN CARE

- Advocating for & participating in the development of **Standards of Care**
- Helping families find providers that meet our standards of care via **Certified Duchenne Care Centers**
- Connecting families with clinical trials, care, and research through **DuchenneConnect, PPM's Duchenne Registry**

This is YOUR story

Stories make us more alive, more
human, more courageous, more
loving.
